She is currently a fellow at the U.S. Institute of Peace, previously served at the Brookings Institute and others, and is the author of several acclaimed books covering the Middle East, Iran and Islam.

Common Ground

November 14, 2017  
Tuesday, 8:00 pm

Can a liberal strategist and CNN pundit and a conservative columnist and FOX News panelist get along? Together Bob Beckel and Cal Thomas bridge the partisan divide with consensus-building ideas, solutions and strategies, demonstrating that constructive dialogue and common ground between liberals and conservatives is possible, and is the answer to developing productive relationships and solving many issues that plague America.

Ian Bremmer

November 28, 2017  
Tuesday, 8:00 pm

"Global political economy has no sharper or more prescient analyst than Ian Bremmer." A prolific thought leader and author, Ian Bremmer tackles the field of political risk through his work with the Eurasia Group, and numerous writings addressing the intersection between politics and markets. He appears regularly on CNN, BBC, and others and is a foreign-affairs columnist for TIME Magazine.

Theresa Payton

January 9, 2018  
Tuesday, 8:00 pm

In her starring role in the TV series, "Hunted," Payton identifies emerging trends and techniques to combat cyber threats. In reality, she is the first female to serve as White House chief information officer, and one of our most respected authorities on Internet security, data breaches and fraud mitigation, with real-world strategies and solutions to help organizations protect their most valuable resources.

Scott Kelly

February 6, 2018  
Tuesday, 8:00 pm

Kelly's epic Year In Space solidified his status as one of history's greatest pioneers, paving the way for the future of space exploration. He brings audiences to the edge of their seats with insights challenging them to dream big, test the status quo, and "choose to do the hard things." Be inspired by unique takeaways on persistence, resilience and self-determination shared by this true American hero.

Fmr UK Prime Minister  
David Cameron

March 6, 2018  
Tuesday

The youngest UK Prime Minister in two centuries; Cameron came to power in 2010 at a moment of economic crisis. Under his leadership, the UK's economy was transformed. He led his country for six years and his party for over a decade, successfully remodeling the Conservative Party with a new distinct modern, compassionate agenda. He resigned in 2016 following the UK vote to leave the European Union.
